the first in an epic trilogy amitav ghosh s sea of poppies is a remarkably rich saga
which has plenty of action and adventure à la dumas but moments also of tolstoyan
penetration and a drop or two of dickensian sentiment the observer london at the
heart of this vibrant saga is a vast ship the ibis her destiny is a tumultuous voyage
across the indian ocean shortly before the outbreak of the opium wars in china in a
time of colonial upheaval fate has thrown together a diverse cast of indians and
westerners on board from a bankrupt raja to a widowed tribeswoman from a
mulatto american freedman to a free spirited french orphan as their old family ties
are washed away they like their historical counterparts come to view themselves as
jahaj bhais or ship brothers the vast sweep of this historical adventure spans the
lush poppy fields of the ganges the rolling high seas and the exotic backstreets of
canton with a panorama of characters whose diaspora encapsulates the vexed

colonial history of the east itself sea of poppies is a storm tossed adventure worthy of sir walter scott vogue

at the heart of this epic saga set just before the opium wars is an old slave ship the ibis its destiny is a tumultuous voyage across the indian ocean its crew a motley array of sailors stowaways and convicts in a time of colonial upheaval the ship boasts a diverse cast of indians coolies and westerners from a bankrupt raja to a widowed village woman from a mulatto american to an evangelical opium trader as their family ties wash away they come to view themselves as jahaj bhais or ship brothers and an unlikely dynasty is born the vast sweep of this historical adventure spans the lush poppy fields of the ganges the rolling high seas and the back streets of china but it is the panorama of sharply drawn characters that brings sea of poppies so breathtakingly alive the first in a trilogy this is a masterpiece by a world class novelist

the end of the poem contains the fifteen lectures delivered by paul muldoon as oxford professor of poetry from 1999 to 2004 rather than individual and discrete performances these lectures form a dazzling set of variations around the sustained theme of the end of the poem each lecture explores a different sense of an ending whether a poem can ever be a free standing structure read and written in isolation from other poems whether a poem s line endings are forms of closure and where this might leave the poem in prose whether the poem is completed only with the reader s act of understanding whether revision brings a poem nearer to its ideal ending when does a poet know when a poem has come to an end what is the right true end of poetry and is the end of the poem the beginning of criticism including an arnoldian criticism of life
